SALVATION ARMY HEATSHARE PROGRAM

HeatShare is a Salvation Army Program that provides emergency utility assistance for people with no place left to turn. HeatShare is offered at most Salvation Army operation centers in Minnesota. HeatShare is unlike other heat assistance programs because it's based almost exclusively on need. Families must first prove they've been denied by your county or other assistance. The program is funded in part by Salvation Army donors & by local utility companies & their customers. Funds are typically used to pay for natural gas, oil, propane & electricity. **TO GET HELP** call our hotline at 1-800-842-7279 or the Willmar Salvation Army Office at 320-235-2033.

WINTER PARKING REGULATIONS ARE "NO PARKING" ON CITY STREETS FROM THE HOURS OF 2 AM—7 AM THAT MEANS THE STREETS WILL BE CLEARED OF SNOW MUCH FASTER!!
